NUCLEAR MEDICINE TECHNOLOGIST

Set Standards of Excellence

Bring your commitment, strengths and vision to **Inter-Community Medical Center**, a 280-bed acute care, not-for-profit community medical center. We currently have an outstanding opportunity for you to enjoy the standards of excellence with an impressively skilled team in our Nuclear Medicine Department.

Our state-of-the-art facility offers you the challenges and prestige of working with SPECT cameras, a portable camera, and advanced computer technology. We require ARRT and NMTCB certification.

We are the most comprehensive full-service healthcare facility in LA's East San Gabriel Valley, where you'll find diverse communities and an array of affordable housing. Plus, we offer a highly competitive compensation package in a progressive, quality-oriented environment. Qualified candidates are invited to send resume to **Human Resources Department, Inter-Community Medical Center, 210 W. San Bernardino Road, Covina, CA 91723-1901**. EOE.

Inter-Community Medical Center

CERTIFIED NUCLEAR MEDICINE TECHNOLOGIST

UNIVERSITY OF TENNESSEE MEDICAL CENTER AT KNOXVILLE

The Nuclear Medicine Section, Department of Radiology, University of Tennessee Medical Center, Knoxville, Tennessee, is seeking applications to fill positions as certified nuclear medicine technologist at all levels.

UTMCK is a 600-bed hospital and the regional referral center for East Tennessee. The Department of Radiology is a comprehensive diagnostic imaging center with x-ray radiography, CT, MR, and clinical PET. The Nuclear Medicine Section performs 6000 conventional procedures and more than 1000 clinical PET studies per year. There is an accredited School of Nuclear Medicine Technology with six students currently enrolled at UTMCK. Active research in neurology, cardiology, and oncologic PET complement the routine activities in the Nuclear Medicine Section.

Applicants must be graduates of an accredited nuclear medicine technology school at the time of appointment. Certified nuclear medicine technologists with clinical experience are preferred. The salary will be commensurate with the applicant's training and experience.

Send application letter and curriculum vitae to: Personnel Services, THE UNIVERSITY OF TENNESSEE MEDICAL CENTER AT KNOXVILLE, 1924 Alcoa Highway, Knoxville, TN 37920.
