

*“CONGRATULATIONS to the SNMMI-TS on the 50<sup>th</sup> Anniversary. A Leader in Education, Professionalism and Networking.”*

Brenda J. King, CNMT, FSNMMI-TS

*“Congratulations on our Technologist Section celebrating its Golden Anniversary! It has been an honor for me to be involved nationally over the last many years.”*

Norman E. Bolus, MSPH, MPH, CNMT, FSNMMI-TS

*The Technologist Section of The Greater New York Chapter, Inc. is proud to provide its continued support and sponsorship of the SNMMI in its 50<sup>th</sup> Anniversary Celebration. Throughout its 50-year history the GNYC-TS has produced leaders who have served in multiple SNMMI positions. Happy 50<sup>th</sup> Anniversary SNMMI!*

*“The SNMMI-TS has provided engagement, opportunity and technical excellence to me and my colleagues for 50 of my 50 years in Nuclear Medicine. Thank You.”*

Art Hall, BS, CNMT, ARRT(N) Fellow SNMMI-TS, ASCP(NM)  
(Past-President-TS)

*“I have seen amazing growth in the field of Nuclear Medicine Technology, and SNMMI-TS has driven the growth and success! Congratulations on 50 years!”*

Krystle W. Glasgow, MIS, CNMT, NMTCB(CT), NMAA

*Digirad would like to congratulate SNMMI-TS on 50 fantastic years! The role you play in our industry is indispensable, and the Digirad team is grateful for your leadership and vision. We look forward to our continued partnership in developing the future of nuclear imaging.*

*Understanding the value of NM technologists and based on its experience at the Chapter level, the Southwestern Chapter, SNMMI – primarily through Dr. Thomas Haynie – helped develop the National Technologist Section. 50 years later, we extend congratulations and appreciation to the SNMMI Technologist Section. Nuclear medicine technologists rock!*

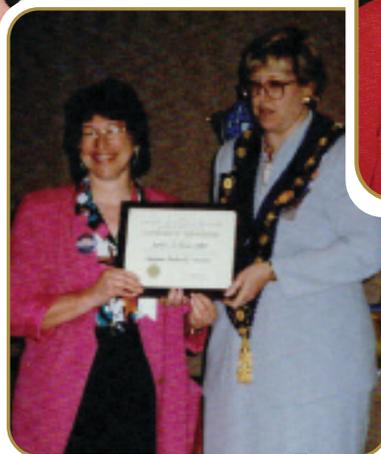

*“There is a beauty in discovery. There is mathematics in music, a kinship of science and poetry in the description of nature, and exquisite form in a molecule.”*

*– Glenn T. Seaborg*

*UCSF Molecular Imaging & Therapeutics congratulates the SNMMI-TS on 50 years of innovation and the development of our profession.*
