

# Placement

## POSITIONS OPEN

**NUCLEAR MEDICINE TECHNOLOGIST.** Immediate Opening. 413-bed hospital with full range of in-vivo and in-vitro procedures offered. These include full range of nuclear cardiology procedures. Cameras (with on-line computers) and rectilinear scanner in use. Applicants must be ARRT(NM) or ASCP(NM) registered or registry eligible. Experience in RIA desirable. Will be rotated through both sections of Nuclear Medicine, i.e., in-vitro and in-vivo. Department geared to continuing education philosophy. Opportunity to attend seminars, conferences, etc. Excellent starting salary and employee fringe benefit program. Please submit resume or for more information contact: Paul K. Schlesinger, Director of Personnel Department, South Chicago Community Hospital, 2320 East 93rd Street, Chicago, IL 60617, (312)978-2000, ext. 5160.

**REGISTERED NUCLEAR MEDICINE TECHNOLOGIST.** Challenging position for registered technologist, or registry eligible, in a progressive department of a 569-bed acute care, general teaching hospital. Full range of imaging and nuclear cardiology procedures performed. Equipment includes two Siemens and one G.E. data cameras and Informatek computer system. Excellent working hours and benefits. Spartanburg General Hospital is located in the Piedmont section of South Carolina, among the rolling foothills of the Blue Ridge Mountains, approximately 3 hours from Atlanta, and 4 hours from Myrtle and Charleston beaches. Send resumes to: Linda Wilson, Spartanburg General Hospital, 101 E. Wood Street, Spartanburg, SC 29303. EOE.

Search firm seeks **NUCLEAR MEDICINE TECHNOLOGISTS**, Supervisory and Non-Supervisory, for opportunities nationwide. All fees, expenses employer paid. CV or resume *not* required. Call or write National Search Group, Box 292, Lexington, SC 29072. Phone (803)359-2125.

### Nuclear Medicine Technologist Senior Level

Immediate opening for a bright aggressive technologist, certified or certification eligibility required. Position involves competence in all nuclear cardiology procedures. Excellent opportunity to be associated with expanding and progressive nuclear medicine department. ADAC and TECHNICARE computers now in use. Salary commensurate with experience. Excellent benefit program offered. Contact: Personnel Director, Charles E. Still Osteopathic Hospital, P.O. Box 1128, Jefferson City, MO 65102; (314) 635-7141, ext. 179.

**REGISTERED NUCLEAR MEDICINE TECHNOLOGIST.** Variety of technical responsibilities in Nuclear Medicine in a 450-bed central Connecticut teaching hospital. Progressive, fully equipped department includes scanners, scintillation cameras, etc. Requires registration or registry eligibility and experience. Send resume and salary requirements to: Personnel Department, New Britain General Hospital, 100 Grand St., New Britain, CT 06050. An equal opportunity employer.

## FOR SALE

One Raytheon 5 inch **DUAL PROBE SCANNER WITH COLLIMATOR.** Complete functional system. Contact: Mr. Robert Seta, Director of Radiology, Smithtown General Hospital, Smithtown Bypass, P.O. Box 1002, Smithtown, NY 11787. (516)979-4000.

## NUCLEAR MEDICINE TECHNOLOGIST

We are recruiting for technologists who wish to expand their knowledge of nuclear medicine with a progressive laboratory in a teaching hospital equipped with the latest in quality nuclear instruments. Should be proficient in in-vitro and in-vivo procedures. Nuclear cardiology experience would be considered a plus. Certification by one of the following is essential: ARRT, ASCP, or NMTCB. Competitive salary and benefits. Some on-call duty is expected. Please send inquiry to:

Frank G. Steffel  
Supervisor

MILWAUKEE COUNTY  
MEDICAL COMPLEX

8700 W. Wisconsin Avenue  
Milwaukee, WI 53226  
Telephone (414) 257-5968.

Equal Opportunity Employer M/F/H

## Nuclear Medicine Manager

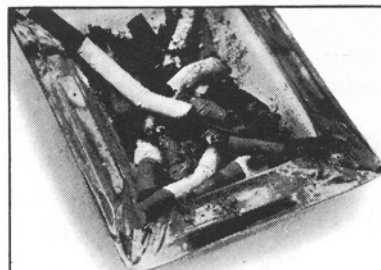

A challenging management position is available in an established, newly redesigned department of a 315-bed, non-profit community hospital located between Milwaukee and Chicago.

The successful candidate should have previous management experience or potential to head one of the most active nuclear medicine departments in Southeastern Wisconsin. This well-equipped department performs a full array of nuclear medicine diagnostic tests including RIA and nuclear cardiology.

The candidate we choose will receive a competitive salary plus a superb benefit program including medical, dental, vision, and disability insurance.

Write or call collect in confidence to:

John Kolar  
Personnel Director  
Kenosha Memorial Hospital  
6308 8th Avenue  
Kenosha, WI 53140  
(414)656-2117.

## IS THIS WHAT YOUR KISSES TASTE LIKE?

If you smoke cigarettes, you taste like one.

Your clothes and hair can smell stale and unpleasant, too.

You don't notice it, but people close to you do. Especially if they don't smoke.

And non-smokers are the best people to love. They live longer.

## MIRD (Medical Internal Radiation Dose) PAMPHLETS AVAILABLE

**1** (Revised) A revised schema for calculating the absorbed dose from biologically distributed radionuclides (\$5.25)

**5** (Revised) Estimates of specific absorbed fractions for photon sources uniformly distributed in various organs of a heterogeneous phantom. (\$7.75)

**10** Radionuclide decay schemes and nuclear parameters for use in radiation-dose estimation. (\$8.00)

**11** 'S' absorbed dose-per-unit cumulated activity for selected radionuclides and organs. (\$11.00)

**12** Kinetic models for absorbed dose calculations. (\$5.25)

### SUPPLEMENTS

**3** Includes the *original* pamphlet #5: "Estimates of absorbed fractions for monoenergetic photon sources uniformly distributed in various organs of a heterogeneous phantom." (\$1.50)

**4** Includes pamphlet #6: "Radionuclide decay schemes and nuclear parameters for use in radiation-dose estimation, Part 2." (\$1.50)

**6** Includes pamphlet #9: "Radiation dose to humans from <sup>75</sup>Se-L-Selenomethionine." (\$3.00)

### SPECIAL OFFER

**All available MIRD pamphlets and supplements for only \$25.00 plus \$4.00 for shipping and handling.**

**Mail to:** Book Order Dept., Society of Nuclear Medicine, 475 Park Avenue South, New York, NY 10016. Make checks payable to: Society of Nuclear Medicine, Inc. **U.S. funds only, please.**
