## NUCLEAR MEDICINE TECHNOLOGIST

As Central Florida's premier teaching and referral center, we can offer excellent career potential to experienced Nuclear Medicine Technologists who enjoy the challenge of a major teaching hospital and the pleasures of Florida living.

You will have frequent patient contact as you work with nursing and medical staff to assure the accurate administration of therapeutic and diagnostic procedures and attendant quality control. You should have one year of extensive clinical training and be a graduate of an accredited school of nuclear medicine technology. Registry with the ARRT or certification by the Nuclear Medical Technology board is required.

If you are interested in furthering your career while enjoying everything under the Florida sun, you can find no better opportunities than with ORMC. The area's rich and varied recreation includes incomparable watersports, nearby Disney World, and beaches just an hour away. We offer a competitive salary, comprehensive benefits, and plenty of challenge. For consideration, call 1-800-327-8402, TOLL FREE outside Florida, or (305) 841-5186, COLLECT within Florida, or send your resume to: **Orlando Regional Medical Center, Personnel Dept., JNMT/0387, 1414 S. Kuhl Ave., Orlando, FL 32806.** An Equal Opportunity Employer.
