

Placement

Policy—The *Journal of Nuclear Medicine Technology* accepts classified advertisements from medical institutions, groups, suppliers, and qualified specialists in nuclear medicine. Acceptance is limited to Positions Open, Positions Wanted, and Equipment Available. We reserve the right to decline, withdraw, or modify advertisements that are not relevant to our readership.

Rates for Classified Listings—\$12.50 per line or fraction of line (approx. 50 characters per line, including spaces). Please allow 28 characters for the first line which will appear in capital letters. Special rates for *SNM members* on Positions Wanted: \$10.00 per line. Note: Box numbers are available for the cost of the 2 lines required.

Rates for Display Ads—Agency commissions are offered on display ads only.

Full page	\$560	Quarter page	\$225
Half page	340	Eighth page	195

Terms—Payment must accompany order. Make checks payable, in U.S. dollars on U.S. banks only, to: The Society of Nuclear Medicine.

Deadline—first of the month preceding the publication date (February 1 for March issue). Please submit classified listings typed double spaced. No telephone orders are accepted.

NUCLEAR MEDICINE TECHNOLOGIST

Full-time day shift position available in a 200-bed acute care hospital. Prefer NMT but would consider technologist that is nuclear medicine registry-eligible. Attractive salary and benefits package.

Contact: Personnel Department, Asbury Hospital, 400 South Santa Fe, Salina, KS 67401 (913)827-4411. EOE.

Keep up with the best.

Nuclear Medicine Technologist

As one of the area's first Nuclear Medicine Departments, we offer you, the professional Nuclear Medicine Technologist, an opportunity to work with the latest technologies while providing quality patient care to a broad patient population.

Nuclear Medicine Technologists at the Washington Hospital Center are vital members of a specialized healthcare team. You will participate in in-service training programs, evaluation of new products and equipment, review of calibrations, patient dosage records and safety protocols.

If you possess an Associate degree in Nuclear Medicine and are registered by the NMTCB/AART or registry eligible, send resume with salary requirement to Arminta Foushee-Green, Employment Specialist, or call 1-800-432-3993 for further information.
