# Nuclear Medicine

...with the Children's touch.

The Nuclear Medicine imaging professionals of The Children's Memorial Medical Center have a special touch that enable them to provide expert pediatric imaging using the most advanced technology while touching the lives of their patients and families in a caring, concerned way. If you have the Children's touch, consider:

- Opportunities include radioimmunoassay, imaging, research and adult sports medicine
- Nationally renowned facility that pioneered the field of pediatric nuclear medicine and helped other hospitals establish departments of their own
- Significant Technologist/Physician collaboration
- Strong commitment to professional development through continuing education, cross-training and opportunities for specialization
- Excellent compensation package
- Tuition assistance is available

Feel the Children's touch. For more information, contact: Bonnie Stahl, Employment Specialist, The Children's Memorial Medical Center, 2300 Children's Plaza, Chicago, IL 60614. EOE M/F.
