

Traveling or Permanent Positions

"...RADS has enabled me to enhance my technical and interpersonal skills by working in various facilities and situations. I developed expertise with several types of equipment and a broad range of studies."

Greg Kobin, RT(N)

Tech to Tech

"...my sincere thanks and appreciation go to RADS for their professional diligence and personal support. It's clear that my career and my best interests are always their priority."

Russ Peck, RT(N)

Tech to tech RADS offers more. You'll hear it from Greg, Russ or any of the over 800 other technologists who are part of our growing team. Satisfying, high-paying travel and permanent assignments are now available nationwide. Find out for yourself just how much more RADS offers...
