

The **Paul Cole Scholarship** is named in memory of **Paul Cole, CNMT**, who served as **President of the SNMMI Technologist Section (SNMMI-TS)** in 1986 and who was known as a champion of education for technologists.

This scholarship supports a student in training (or accepted) at an accredited nuclear medicine technology program. Accredited programs include regionally, programmatic, programs currently pending accreditation or similar accrediting bodies for international applicants.

A limited number of \$1,000 scholarships are available through a grant from the Education and Research Foundation for Nuclear Medicine and Molecular Imaging.
